Trade Convention

Need to bolster sales this year? Want to obtain solid business leads? Need new ideas for your company? The Trade Convention is a great opportunity for businesses to enhance relationships with existing customers, network with hundreds of potential new customers and showcase your company in a unique business environment.

Career Expo

Provides participants with the opportunity to recruit applicants, educate others of recent business happenings, and network with business professionals. You will find a rich diversity of talents, skills and experience among job seekers to meet your hiring needs. Job seekers will have opportunities to attend free breakout sessions on preparing for job search success, practice interviewing with HR professionals, and receive personalized resume development.
